Dear Parents

HOSTING INTERNATIONAL TOURING TEAMS

We are in the fortunate position of being able to host a number of incoming tours this season and would appreciate your help in accommodating the players during their stay in Cape Town.

Hosting is typically for two nights and on one of the nights the girls usually arrange to go out for a pizza together. However, any activities at night are at the discretion of the host family. The visitors are kept busy by their staff members during the day and would spend only the nights with you and your family.

It is helpful for both the hosts and the visitors to be hosted in twos or more. *Even though I have specified which team of ours will be involved with a given tour, you are more than welcome to host whenever you would like to and with whichever team. If you are able to assist with hosting please fill in the reply slip on the next page and return it to me by Friday 19 June.*

Hosting tours is always a good experience for the girls. It allows them to develop friendships with people their own age from other countries and in so doing establish contacts for later on in life when they may end up travelling to these countries.

Please do not hesitate to contact us on either 021 689 9154 if you have any queries.

Kind regards

Alison Gray
