## Xhosa Ubuntu Evening

This year, Westerford will be hosting its second annual Ubuntu Evening on 19 June.

This is a fun-filled night of dancing, singing, music and food in celebration of proudly South African Xhosa culture and its traditions. Various schools such as Camps Bay and Wynberg Boys' will be performing, as well as an amazing group which has performed at the Baxter Theatre on numerous occasions.

The evening will start at 19h30 and end at 21h00. Tickets cost R20 and will be sold at the door. It really is an ideal way to socialise with other schools, make new friends and learn about Xhosa culture. Do not miss out on this wonderful opportunity!

## Westerford Big Band Wows at Cape Town Jazz Festival!

The annual Cape Town Big Band Jazz Festival took place at the Baxter Concert Hall from 3 to 6 June. Many jazz bands from all over the Peninsula were invited to participate in this prestigious event. High school, university and senior bands participated over the four-day period, with Westerford scheduled to perform on the last evening, together with Wynberg Boys' High, St Josephs' Marist College, Rondebosch Boys' High and the UCT Alumni Big Band. Leading up to the big event, many hours of practice were held under the guidance of Mrs Grobbelaar.

On the evening the band was both nervous and excited. They performed popular songs such as: 'Forget You!', 'Angel Eyes', with **Seth Alexander** (11) on tenor saxophone, and 'Cry me a River', with **Robyn Quenet-Meintjes** (12) on vocals. The band did exceptionally well and received a standing ovation.

Congratulations to the Big Band on their outstanding performance and a big thank you to Mrs Grobelaar for making the night possible. Westerford Big Band, we are extremely proud of you!

Dear Parents

## HOSTING INTERNATIONAL TOURING TEAMS

*We are in the fortunate position of being able to host a number of incoming tours this season and would appreciate your help in accommodating the players during their stay in Cape Town.*

*Hosting is typically for two nights and on one of the nights the girls usually arrange to go out for a pizza together. However, any activities at night are at the discretion of the host family. The visitors are kept busy by their staff members during the day and would spend only the nights with you and your family.*

***It is helpful for both the hosts and the visitors to be hosted in twos or more.*** *Even though we have specified which team of ours will be involved with a given tour, you are more than welcome to host whenever you would like to and with whichever team. If you are able to assist with hosting please fill in the reply slip on the next page and return it to Ms Gray by Friday 19 June.*

*Hosting tours is always a good experience for the girls. It allows them to develop friendships with people their own age from other countries and in so doing establish contacts for later on in life when they may end up travelling to these countries.*

*Please do not hesitate to contact us on 021 689 9154 if you have any queries.*

Kind regards

Alison Gray
